## **Reports to Membership**

### **NISCA Report:**

NISCA representative Dennis Hill quickly up-dated the membership on the new changes which NISCA approved last spring at their national meeting. Richard Edwards of Lansing Eastern is now the Zone President. All-American athletes are posted on the [www.nisca.net](http://www.nisca.net) site (top 100 student-athletes in the country.) Also, the NISCA power point competition had 318 teams participate last year and Dennis would like to see more Michigan teams submit entries.

MISCA Scholarship Chair, Rick Edwards, was not present. Bob Crosby noted that a full report was included in the clinic check in packed and is posted on the MISCA website.

The 2003-2004 scholarship forms are available on the website.

### **Academic All-State:**

Academic All-State Chair, John DuBois, noted that last year there was an increase in applications, a total of 62. He would still like to have more memberships submit applications.

The 2002-2003 Academic All-State forms are available on the website; and, are due one week after the MHSAA Boys State Finals in March.

### **MISCA Middle School Meet:**

Middle School Meet Chair, John DuBois, stated that last spring's meet was just about full and had representation of more than 60 schools throughout the state.

Information and application forms for the meet are available on the MISCA website.

### **Treasurer's Report:**

Secretary-Treasurer Brian Bollone reviewed the financial status of MISCA and briefed the membership on the increased growth of the organization over the last couple of years. Currently, MISCA has \$13,377.33 in checking and \$7.75 in savings. This net total is \$12,054.67 less than a year ago. The major reasons for decline in funds are:

- A. Both NISCA and MHSCA memberships are paid in full currently, \$2,875.00.
- B. The clinic cost \$3,736.03 more than was anticipated (lunch and speaker costs).
- C. Full compensation for two NISCA representatives at the national NISCA meeting, \$1,846.85.
- D. Letterhead/envelopes needed to be re-ordered, \$526.00.

Last year, MISCA had 301 members- down 28 from last year's all time high. As of today, the membership is at 175 as compared to the 185 from last year.

Motion by Tom Belco of Kalamazoo Central, seconded by Mick Holman of Grand Haven, to approve the Treasurer's report.
