

Michigan Interscholastic Swim Coaches Association
General Membership Meeting
McCamy Plaza – Battle Creek
September 13th, 2019

Meeting was called to order by President Brad Jones at 9:14AM

2018 General Membership Meeting Minutes were approved

Secretary/Treasurer Report

We are in good financial standing. We have right around \$22,000 in the bank with bills due on the clinic and NISCA membership

NISCA Report

Eric and Ian attended the NISCA clinic

Clinic attendance was down due to format of the meet at Texas

A lot of new initiatives with the new presidency

This year's clinic will be at IUPUI during the Men's NCAA Championships

NFHS wording and rules were a big piece of the NISCA business meetings.

Ian asked everyone to take part in the survey NFHS sends out and to pay attention to the wording in the proposals.

Ian asked all coaches to send in their professional resumes so NISCA can recognize all the great accomplishments in Michigan.

Eve Julian received the outstanding service award from NISCA

NISCA has added a para time standards for All American. Coaches should explore the NISCA website to see if athletes apply

MISCA Clinic Report

Diving

MISCA Diving 3:30 warmup and 5PM start

Andi Osters (MHSAA) will be at the diving panel at the clinic to discuss 2020 regional qualifying processes

2019 regional meet – athletes must have a coach on site with them, it can be a coach from another school.

Dream Team

Results are posted at right after state meet

Promoting the award and working with local and national press

Golf Outing

2020 info will be posted soon

Plenty of good social times in addition to the golf

Takes place the weekend after mothers day

Top Times

Coaches should be sending in results to swimcloud, results can be uploaded directly from the latest version of Meet Manager

Swimcloud has a feature that allows meet entries.

- Coaches without Team Manager can create the meet schedule and add their rosters
- Meet entries can be sent/exported directly to Meet Manager

Coaches can post a swimcloud widget to their school website that will allow team times to post to the site as results are uploaded.

Swimcloud's roll over date is at the end of September, coaches will need to manually click the season and move it to the most current season. Swimcloud will update that this year.
